

ABSTRACT

SDN Mangga Besar 15 Jakarta is one of the public elementary schools in the West Jakarta area, precisely on Jalan Blustru No. 05 RT 1 RW 6, Mangga Besar, Tamansari, West Jakarta City, Special Capital Region of Jakarta. Being one of the schools in the capital city makes students of SDN Mangga Besar 15 Jakarta familiar with technological advances and gadgets is one example of this technological advancement. The use of gadgets in early childhood is now a common sight. Because today's children are a digital generation, where they are born and develop together with technology. We may find it difficult to keep gadgets out of reach of children. Advertising on electronic media, environmental influences and children's peers have a tremendous impact on children's desire to have gadgets. This community service activity aims to provide education to SDN Mangga Besar 15, Jakarta students about how to use smart gadgets. This socialization activity is expected so that students of SDN Mangga Besar 15 Jakarta can use gadgets intelligently so that they will grow into a bright generation for the Indonesian nation.
